

Eddington Resident's Association Safeguarding Policy

This policy aims to ensure the safety of those undertaking activities on behalf of the Eddington Resident's Association (ERA) and the children, young people and adults we come into contact with.

The ERA is committed to safeguarding and promoting the welfare of children, young people and adults. We take our responsibilities seriously and expect all workers and volunteers to share this commitment.

Safeguarding is about protecting children and adults who might be at risk from abuse and neglect which can be physical, emotional, sexual or financial. We also want to keep our volunteers safe from allegation and deter anyone looking to use this as an opportunity to abuse others.

ERA will:

1. Promote good practice that encourages a safe environment, protects all parties and avoids mistaken allegations of abuse
2. Have a designated Safeguarding Lead who:
 - a. Will oversee the association's safeguarding responsibilities
 - b. Be the point of contact for safeguarding concerns (receive and action)
 - c. Ensure cover for this role in their absence
 - d. Ensure any incidents of poor practice, allegations and suspicions are reported, taken seriously and responded to swiftly and appropriately
3. Recruit volunteers as safely as possible at this time by:
 - a. Collecting names, addresses and contact information
 - b. Checking identities
 - c. Collecting copies of DBS checks if available and recording the reference number and date of check
 - d. Asking and recording if the applicant has been barred from working with children and adults
 - e. Rejecting applicants whose identities cannot be verified or who are barred
4. Provide all volunteers with safeguarding awareness information on:
 - a. What safeguarding means
 - b. Who the Safeguarding Lead is
 - c. What their responsibilities are and aren't
 - d. What to do if they have a concern
 - e. How to keep themselves safe

We will implement good practice to record that the information has been given and training has been undertaken wherever possible. Additional training materials are available at <http://www.safeguardingcambspeterborough.org.uk/home/covid-19/>
